Waukesha July 4th Fireworks to be Hosted in Lowell Park

WAUKESHA, WI: The City of Waukesha announces the City's 2022 July 4th fireworks display has been relocated from the Waukesha Expo Center to Lowell Park and will take place on Mon., July 4, at 9:30 p.m. The festivities will also include a Neighborhood Beer Garden featuring music and food options. The fireworks display was moved from the Expo to Lowell due to cost and safety concerns related to the proximity of fireworks to the Airport.

"As the airport has expanded over the years, we have made adjustments to allowable shell sizes and launch locations in efforts to continue safely conducting fireworks displays at this location," said City of Waukesha Fire Chief, Steve Howard. "After last year's display, I felt it necessary to re-evaluate the use of this site for future fireworks displays. It appears that Lowell Park is a viable alternate site within the City."

"We are excited to offer the experience of the July 4th fireworks in Lowell Park," said special event coordinator, Joanna Adamicki. "The topography of the park lends itself to a great fireworks experience for those in attendance and we are looking forward to offering the show, coupled with our successful Neighborhood Beer Gardens."

The City of Waukesha Parks, Recreation and Forestry Dept. is National Recreation and Park Association CAPRA Accredited and a Gold Medal agency, one of less than 50 agencies nationwide to attain both of these prestigious distinctions. For more information about other WPRF activities, please call WPRF at 262-524-3737 or visit <https://www.waukesha-wi.gov/government/departments/parks-recreation-forestry.php>
